A WORD from the Director...

In the last six months we have had a “season of mourning” at Hope Alive. One of our residents was found dead on a porch, two of our ladies lost their moms, one of our residents lost her boyfriend/best friend of 17 years, and a staff member lost her husband after an eight-year battle with cancer. It felt like we ran out of words, not knowing how to comfort those grieving, and wondering how much more this little family-like community could take.

But, there were little miracles all along the way as we traveled this journey of grief. The day we found out about the resident dying, all the residents and staff came together, putting together a little meal of soup and sandwiches and comforting each other. We sang her favorite songs, prayed, shared memories, and of course cried. When the two ladies lost their mothers, some of the other ladies helped prepare for travel, sat and cried, and called to check on them as they were gone. When the gal lost her best friend the ladies surrounded her, prayed with her, fed her, and just sat and let her share her pain. And when our staff member lost her husband everyone rallied and sent cards, took her food for her out of town family, took her to lunch while she was on leave, and were there to listen. Stronger bonds of love between all the residents, counselors, and staff now exist and stronger relationships with God as the great comforter.

At the end of this season someone donated a tree which we planted and had a service for all those we lost. We will always remember that sweet time when we grew as a family/community and found comfort in choosing to believe “all things work together for good for those who love the Lord.”

PRAISE GOD FOR CONVERTED LIVES!!!

We were so excited to share in the joy as one of our residents was baptized! It is so exciting to see the growth and then submission to His Holy Spirit as someone accepts the love and His sacrifice by going under the waters of baptism. Her testimony, which follows, reminds us that there is nothing God can't do if we submit our will to His!"

My name is Christina Gomez, I am 40 years old. I am a recovering methamphetamine addict. Wow what a long complicated word. Well, this drug made my life so complicated.

A year ago I didn't have any hope, I was stuck in a hole of addiction that I couldn't scratch my way out of. I surely didn't think having faith in someone I couldn't see could help me. If you would have asked me if I ever was going to stop using – my answer would have been NO! I don't know how to live sober. To talk to someone I can't see? To live in a house where there are rules? ABSOLUTELY NOT! I was a liar, manipulator, mean, selfish, stressed and soulless. Meth was my god, my best friend, my life and the only thing I cared about. Now I can give every excuse to you why I couldn't stop but now 95 days sober I can tell you it was me! Me not believing or having faith in someone I couldn't see.

Today I am 95 days SOBER! I'm not alone anymore. I don't battle my addiction alone, I have faith, hope and family. A family I gained 95 days ago – the day I stepped out of jail and into Hope Alive. My life has changed. The staff have become my family. Hope Alive saved my life. I am sober and learning to love myself and love the Lord! I finally believe in a loving, caring, forgiving God. Hope Alive has taught me I AM ENOUGH, I AM FORGIVEN, I AM WORTHY, I AM FREE, I AM LOVED, I am NOT a worthless drug addict – I AM A CHILD OF GOD. I am not saying the road is always going to be easy, but I'll never have to fight alone. I have the Hope Alive staff who love me unconditionally, don't judge me and they expect me to succeed. I have 17 other women who are like my sisters who love me. And I have an unfailing God.

Without Hope Alive, without the staff and ladies, I would have never found my way out of that addict's hole. I couldn't scratch my way out so they reached down hand in hand and pulled me out. It brings true meaning to Hope Alive.

2017 GOLF OUTING A HUGE SUCCESS!

We played some great golf and had a fun filled day. It quit storming just in time!!! Festivities began with a great meal, then proceeded to golf. Thanks to everyone who supplied door prizes and raffle items. The day ended with everyone leaving with a smile.

After expenses, we were able to add \$13,034. to our programming funds to assist with low cost counseling, and housing for women.

Thank you golfers, food and snack providers, volunteers, those who donated door prizes and raffle tickets, and the crew at River Bend Woods. We had a grand time!

Mark your calendars for June 15, 2018 for the next opportunity to have a great day at the BEND!
